Dear Paul,

Let me thank you for your generous time and sharing your knowledge, expertise, and opinions regarding the subject matter at our focus group. Your input is extremely valuable and I can assure you all who were present took good note of your opinions, wish lists, and those things that you count as valuable for a supplier. We at Air Systems really want to strive every day to earn and keep your business. Thanks again.

With highest regards,

A handwritten signature in cursive script that reads 'Ernie L. Wetzler'.
