Dear Mr. Pyke:

I would like to thank you and your personnel for the excellent work performed this year for the North Satellite of Miami-Dade County Public Schools. Your men and supervisory personnel, especially Mr. Lou Carpenter, have shown the experience, professionalism and expertise to do all kinds of work in the air conditioning field.

The cooling tower installation, chiller replacements, package unit installation, and etc. that you and your men have completed for us will be an example of how work should be done at all times.

My sincere thanks for jobs well done, and I will be looking forward to working with you in the further.

Sincerely,

John DiGregorio  
ACR Supervisor
